

A drive on the **Mt. Washington Auto Road** is a drive unlike any other. With the ever-changing weather conditions on New England's highest peak, no two trips are the same. Bluebird skies and stunning vistas may greet you one day. The next day you could have the adventure of a lifetime in the peak's strong winds, remarkable fog and rapidly moving clouds. On any day, your adventure awaits.

Opportunities at the Mt. Washington Auto Road

Sunrise Tours | Sunset Tours | Bicknell's Thrush Tours | School Groups | Car Clubs | ATV Tours

From private car clubs to school groups, the Mt. Washington Auto Road can provide a customized guided tour that is certain to create lifelong memories. With nearly 150 years of history, the Mt. Washington Auto Road is America's oldest manmade attraction, and every day of the season you can practically touch that history in the Red Barn Museum, which features many of the vehicles that have climbed to the summit through the years. The Mt. Washington Auto Road also offers the best way to experience the home of the world's worst weather up close and personal. Learn about weather, geology and the unique birds and animals that live on and around the mountain. Mt. Washington is a special place, and we welcome your group to enjoy it with us.
