

*“What I did on
Summer Vacation...”*
made easy.

Bicknell's Thrush Tours

June 5, June 9, June 12, June 13, June 16 and June 18

Mt. Washington is one of two Bicknell's Thrush habitats in the northeastern United States, and the Mt. Washington Auto Road offers you a unique guided tour opportunity to view these rare birds.

Tours depart at 5:30 am. Advanced reservations required. Special lodging packages are available through a number of our Lodging Partners.
